Lucknam Park Refurbishment

Lucknam Park completed a major refurbishment in time for the busy Christmas and New Year celebrations. All public areas and bedrooms are now redesigned and refurbished traditionally to a very high standard in keeping with this 18th century Relais & Châteaux property.

Sumptuous fabrics, antiques, paintings and artefacts all contribute to the luxurious comfort for which we have become recognised. No expense has been spared in this final stage of refurbishment.

Enjoy superb service in beautiful surroundings - come and share all that Lucknam Park has to offer in the heart of the English countryside. Relax in the Spa, dine in our award-winning restaurant and experience Lucknam Park at its best.
